

Student Experience Coordinator

Location: Dominican Republic

Reports to: Regional Director (Caribbean)

Type: Fixed-term

Dates: 20th April – 29th August 2020 (provisional)

What we do

- We provide educational programs to support aspiring doctors and physician assistants on their journeys to medical school through first-hand experience shadowing doctors in working hospitals.
- Student and patient safety are our top priority, and our revered mentoring system partners each student with a professional clinician who is fully accredited through our rigorous Partnership Assessment to ensure constant professional supervision, as well as a very personalised learning experience.
- Our two- to 12-week programs are residential, with students living together in our own purpose-designed and fully-catered guesthouses to create a supportive sociable environment. Our friendly local teams are on hand 24 hours a day, and are passionate about bringing people together for the adventure of a lifetime as part of the Global Pre-Meds family.

Who we are

- We currently deliver our programs in the Dominican Republic and our Head Office is in the UK.
- Our team have experience of arranging over 12,000 hospital placements in more than 10 countries since 2011.
- We believe passionately in our model as an ethical business, operating on transparent commercial principles that give us a strong and truly sustainable foundation from which we can do good.
- We operate with respect to our natural environment and the communities in which we work.
- We are an inclusive and respectful employer, believing that people who work hard and deliver results deserve to be well-rewarded.

The role of Student Experience Coordinator

As a Student Experience Coordinator, you will be an important part of our team based in the Dominican Republic that provides a comprehensive service to our students. We can't stress enough that you will be expected to get stuck in with whatever needs doing on the program which makes this role unpredictable, diverse, very fast-paced and sometimes quite intense.

Here are some of the typical things you will be expected to do as a minimum:

- Organising and liaising with our mentors in the hospitals to ensure they are properly prepared and organised;
- Introducing students to the hospital and their mentor and giving them an orientation on their first day;
- Airport transfers, group social activities and guiding students around the local area;
- Supervising students during the evenings and responding to their problems and questions,
- There may also be a need to support our Housekeeping team, particularly on busy student arrival/departure weekends.

What we're looking for

We're looking for people who are totally dedicated to ensuring our students had an experience they never forget. To do that you'll need to be proactive and confident with high energy and a natural flair for outstanding customer service.

You'll be resilient, determined and not afraid of hard work! You'll often be working long hours in a very active role.

What you'll get in return

- Return flights to Dominican Republic;
- Fully catered accommodation;
- Competitive living allowance;
- Travel and health insurance;
- Opportunities to work with a variety of people from around the world;

Student Experience Coordinator

- Experience of new cultures and communities;
- Become a key part of our sociable, close-knit team and our high demand, high reward culture;
- Longer-term career opportunities.
